This matter comes before the Public Service Commission of South Carolina ("the Commission") on the request of New Concept Communications, LLC ("NCC") to Withdraw its Application for Certification. On November 6, 1998, NCC filed an Application requesting a Certificate of Public Convenience and Necessity to provide intrastate resold interexchange telecommunications services within the State of South Carolina. By letter dated February 24, 1999, counsel for NCC informed the Commission that NCC had changed its business plans concerning entry into the South Carolina market and requested that NCC be permitted to withdraw its application without prejudice.

Upon consideration of this matter, the Commission is of the opinion, and so finds, that the relief requested should be granted.

IT IS THEREFORE ORDERED THAT:
